#### **Some Voices from Germany:**

"Jürgen Reiters Auftritt mit dem Bass war auch von einer Perfektion, die  
man einer kleinen Produktion die als Versuch stattfand, nicht zutraute.  
Er erklärte auch die Eintrittskarten, kleine Armbänder mit einem Code,  
welcher dazu berechnigte sich ein paar Lieder von Jürgens Website  
herunterzuladen. Bereits hier war klar, ein Abend, der sich gelohnt hatte."  
Gerhard Zülch zum Auftritt beim "Salon zur kleinen Weltherrschaft"  
26.5.2010

"...was Jürgen Reiter, Sabine Menne und Gabriela Weitenauer gestern Abend  
in allen drei Raumdimensionen und zudem drei künstlerischen Ausdrucksformen  
und dann auch noch zu dritt vereint haben, war nichts weniger als eine  
groß-lyrische Fahrt über den Styx...griechisch-mythischer Abend, von Wiener  
Bordellen über Sterbehilfe-Hotlines zu längst verflossenen Liebschaften und  
noch viel weiter...wenn die Hölle wirklich dergestalt sein sollte, dann  
sündigen wir gerne heftig weiter...große Texte, große Musik..."
